- Paragraph on the scrolling continuation of same page
- Each group will have a short description and contact information (please complete)
- A link to one of:
 - an existing external website
 - a self-created web page hosted by SDAC
 - an **Optional Enhanced Web Presence** on the SDAC site, as described here:

Optional Enhanced Web Presence:

- A single page with a brief description of your group, up to 4 paragraphs
- Contact information including email links
- Up to 4 photographs, 2 graphic files (such as logos, etc), and/or 3 PDFs
- Unlimited links to external pages
- The first year will include one year of maintenance, which will include text, photo and PDF changes two times a year
- Your website address will look like this: www.arts-council.ca/chorale
- First year fee = \$55.00 plus PST and GST
- Second year and beyond: there will be a maintenance fee of \$12/year to include text, photo, and PDF changes up to two times per year. Members who do not need yearly maintenance will not be billed the maintenance fee. Members who request additional maintenance will be billed according to the number of changes on a semi-annual basis.
- There is no charge for creating the PDFs provided the files are sent to the webmaster ("That's Digital") in electronic format. "That's Digital" supports most standard file formats (e.g. Word, Publisher, WordPerfect, PageMaker, and many more). Members must provide to the webmaster all content in digital format. There will be extra charges for scanning photographs.

***** This a special package available only to SDAC members *****

Members who need a more comprehensive site are invited to contact "That's Digital" for a customized quote based on their requirements.

A Special Offer from our Webmaster:

Business Members of the SDAC who want their own website will need their own domain name and have their site hosted. "That's Digital" offers hosting for \$15.95/month based on 12 months, plus a one time \$20 setup charge. This special offer also includes the 13th month free. The hosting package includes 25 meg of space, 3 e-mail addresses, alias and more. There is also a domain registration cost which can range anywhere from \$30-\$60 depending on whether you want .com, .ca, .org, .net, etc. The domain name needs to be renewed every year as does the hosting cost.
